SBE Application (A)

Greetings prospective City of Atlanta certified Small Business Enterprise applicant:

The first step in having your business certified with the City of Atlanta is to obtain a City of Atlanta vendor number (supplier ID). The procedure to obtain a Supplier ID is a free, automated process that can be accomplished on-line. To register with the City of Atlanta and receive a vendor number, please do the following:

- 1) Go to the City's website: www.atlantaga.gov
- 2) Place mouse pointer on the top tab named "DOING BUSINESS"
- 3) Click on the link "Diversity in Business" in the drop down menu
- 4) Click on link to [Office of Contract Compliance page](#)
- 5) Scroll down to section entitled [City of Atlanta Certification Process](#) and click the "[here](#)" link to access the iSupplier portal and begin the process to obtain your supplier ID.

You may contact (404) 330-6203 should you require further clarification and/or instruction on the iSupplier Supplier ID process. Once you obtain your supplier ID, you can apply for SBE self certification.

Your business must be located within one of the following twenty county areas to be considered for certification in the City of Atlanta Small Business Enterprise Program. The twenty county areas includes: Barrow, Bartow, Carroll, Cherokee, Clayton, Coweta, Cobb, DeKalb, Douglas, Fayette, Forsyth, Fulton, Gwinnett, Henry, Newton, Paulding, Pickens, Rockdale, Spalding and Walton counties.

ALL questions on the SBE self certification application must be answered completely and ALL requested documentation must accompany the application. Submit the completed application and documentation to the Office of Contract Compliance. Failure to complete portions of the application and provide the required documentation will delay the certification process or result in denial of certification. Please contact Certification in the Mayor's Office of Contract Compliance at: (404) 330-6105 if you have any questions regarding the SBE self certification process.

Very sincerely,
